THE GARY SEVEN BOOK OF CAR JOKES

Hello everyone. This is your wonderful host, Gary Seven. I have a friend who enjoys cars. Therefore, this is a book dedicated to the automotive industry. I hope it brings you a few laughs.

Brand new Tesla cars don't come with a new car smell. They come with an Elon Musk.

My last relationship ended just because I didn't open the car door for her. Instead, I just swam for the surface.

I found out how to double the price of a Fiat? Fill the tank.

If you run in front of a car, you'll get tired. However, if you run behind the car, you'll get exhausted.

My sister said I couldn't make a car out of spaghetti. You should have seen her face as I drove pasta.

I got my dream job today. I get a 200-thousand-dollar company car and a corner window with a view of the city. Being a city bus driver is a wonderful job.

My wife crashed the car again today. She told the police the man she collided with was on his mobile phone and drinking a can of beer. The police said he can do what he likes in his own living room.

My boss came to work in a brand-new Lamborghini. I said "Wow! That's an amazing car." He replied, "If you work hard, put all your hours in, and strive for excellence, I'll get another one next year."

I saved a bunch of money on my car insurance by switching... to reverse and leaving the scene.

Someone keyed the music teacher's car. I'm glad that the damage seems to B minor.

**My friend purchased a wooden car with a wooden engine and wooden wheels?
It wooden start.**

When is a car not a car? When it turns into a driveway.

What must you have in order to purchase a small Italian car? Fiat money.

Everyone told me that I was too drunk to drive my car. They told me to take the bus instead. I thought it was a ridiculous idea because I was too drunk to drive a bus.

I purchased a car that only moves when the driver is silent. In other words, it goes without saying.

My car mechanic called me today. He said, “You can pick up your car by 5 p.m.” I replied, “Are you kidding me? I don’t think I’m strong enough.”

Why found out that women in Arabic countries do not need car insurance. They are already covered.

Do not buy Russian automobiles. They are not very reliable. They're always Stalin.

Guess what is the most important part of an automobile! The nut that holds the wheel.

Please do not ingest automobile fuel. It'll give you gas.

What do you get when experiencing rapid decompression in a German luxury automobile? Mercedes-Bends.

Schools are using Honda compact cars for Drivers Education. I think it's a great idea. Kids learn to drive, and get a class in Civics at the same time.

How many clowns can they fit into a Honda? One more.

Today, I was driving a jeep in a new video game. It was a little buggy.

Did you hear about the two cheese trucks that ran into each other? De brie was everywhere.

NEWSFLASH: In today's news, a truck loaded with Vicks vapor rub overturned on the highway. Amazingly, there was no congestion for eight hours.

On the highway today, I saw a sausage delivery truck crash. It took a turn for the wurst.

What has four wheels and flies? A garbage truck!

A truck carrying Microsoft software was overturned today on the main road. That's the Word on the street.

When I was young, we did not have a blacktop street. I had to drive my car on gravel just to get ice cream. It was a rocky road.

I saw a tow truck and the poor driver who was crying his eyes out. I thought "He's headed for a breakdown."

On my Tinder bio, it says that I have a corner office with views of the entire city, I drive a \$500,000 vehicle, and I'm paid to travel. You should see my dates' faces when I told her that I'm a bus driver!

What do you call a vehicle with no fuel in Africa? Outtagascar.

Where do police and detectives park their cars when they go to bed? Undercover.

I don't trust anyone that drives an electric car. They're shiftless.

If Yoda was to buy a car, what brand would he purchase? A Toyoda.

My car is always tired. I think it needs a brake.

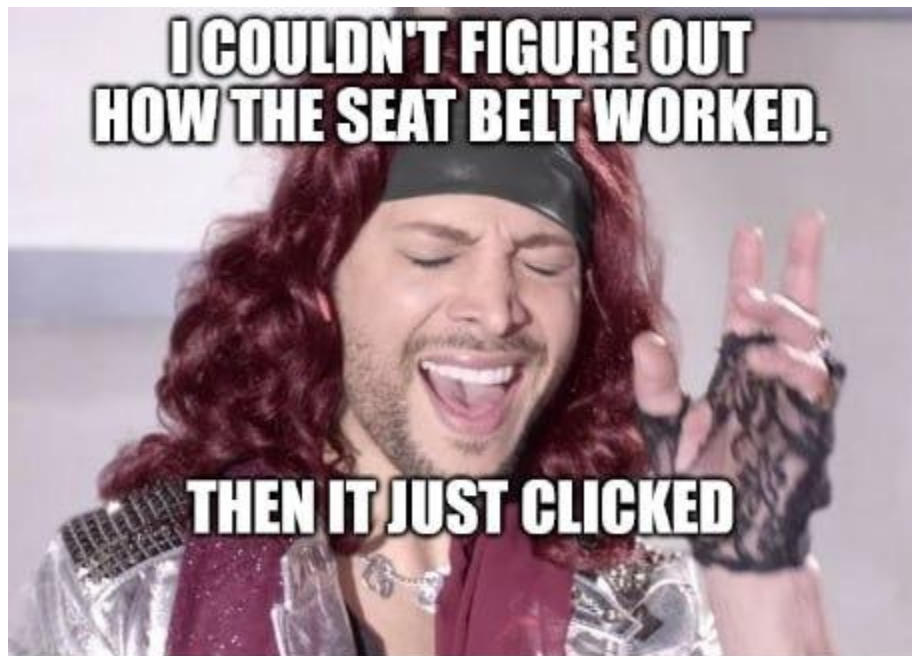

A pair of jumper cables walked into a bar. The bartender immediately told them not to stat something.

There is a new movie at the theater about a Lamborghini. It's called, "Silence of the Lambo."

My car speaks when it comes to a stoplight. It yelled, "Man! You changed."

A car factory does not like pistons. Then only work after they have been fired.

Did you hear about the lady that gave birth to her son in the car on our way to the hospital? She named him Carson.

I was really thinking about buying one of those new electric cars. But when I got to the dealership the prices were just too shocking!

I found out why it always gets dark when my girlfriend drives by. She drives an Eclipse.

Why is a golf ball different from a Chevy Volt? You can drive a golf ball 300 yards.

I was at a bar when a young girl asked me what was my favorite pickup line. I told her that it was the Ford F series.

Parents have found a way to stop teenagers from texting while driving. They bought them a Ford Focus.

I have a friend that is quite lucky with the ladies. He likes to draw them a picture of a Chevy truck. He's a pickup artist.

Germany came out with a car that is powered by eggs. It's a Yolks-wagon.

I always carry a jar of peanut butter and jelly with me when I'm driving. It comes in handy when you are in a traffic jam.

Why do people that drive motorcycles always exhausted? Because they are two-tired.

I purchased a car that did not have a battery. It was free of charge.

The government has made it too expensive to put air into your car tires. It's inflation.
