THE GARY SEVEN BOOK OF JOKES

Volume 18

Hello everyone. This is your wonderful host, Gary Seven. I want to express my appreciation for your comments. As requested, here is book 18 of more jokes. I hope you enjoy. Don't forget to smile.

My pronouns are Rare/Medium Rare. If you don't use them, my feelings and mental health are at steak.

Ghost will not take showers in my house. They said it would dampen their spirits.

My psychic friend returned his shirt to the clothing store saying it was too small. He's a medium.

Was asked in an interview if I could perform under pressure. I told them I didn't know the lyrics.

My friend did not like going to jail. He spat and swore at anyone who came near him. I'll never played Monopoly with him again.

What do you call a pretty pig? Hamsome!

I told my girlfriend she was pretty and she yawned. I guess she was pretty tired.

Did you hear about the barber that won the marathon by cheating? He took a short cut.

My friend told his doctor that he had hamburger in one ear, potato in the other ear, and gravy running down his back. His doctor told him that he wasn't eating properly.

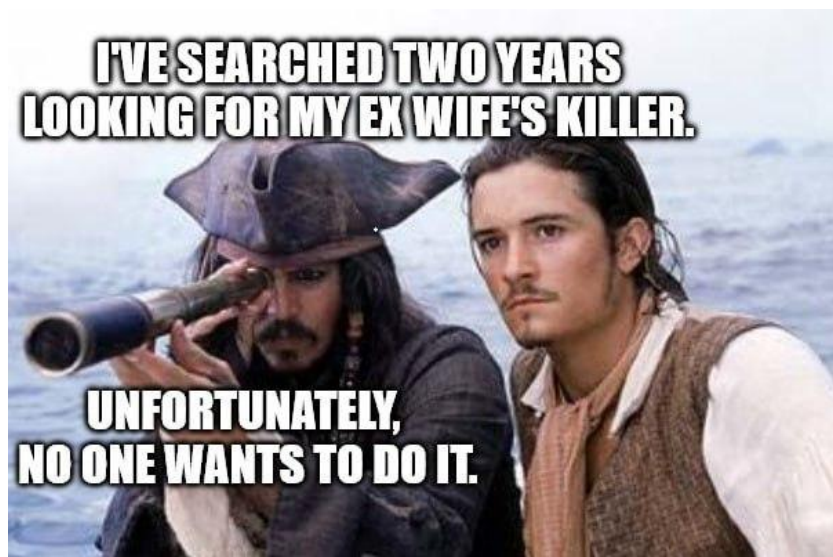

The police informed me that they found my wife's body in the water. I was concerned because that was not where I put her.

I had trouble navigating my boat between Russia and Alaska. I couldn't seem to get my bearings straight.

I can't seem to win a chess match against an Australian? The moment they attack your king, it's a check, mate!

My friend doesn't win the marathon because he's lucky. He's driven.

A beautiful female doctor told my friend he was sweet. Her exact words were, severely diabetic, but he knows what she meant.

After I donated blood, they sent me a letter saying I had Type-A blood. Unfortunately, it was a Type-O.

My girlfriend keeps saying I'm obsessed with boat puns. Canoe believe that?

Did you hear about the atheist math professor that lost his job because he couldn't calculate exponents? He doesn't believe in a higher power.

My wife says she's sick of me acting like a news anchor. More on this after the break.

My friend that works in construction says drilling a large hole is boring. But fastening two pieces of metal together is riveting.

I like to watch bicycle tricks. It's a wheelie good time.

NEWSFLASH: Police arrested a man for telling jokes about cocaine. They said his one liners made them snort.

When you go to heaven, angels will be cooking your meals. They put them in the Microwave on High.

My math teacher knew how to make numbers disappear. He's a mathmagician.

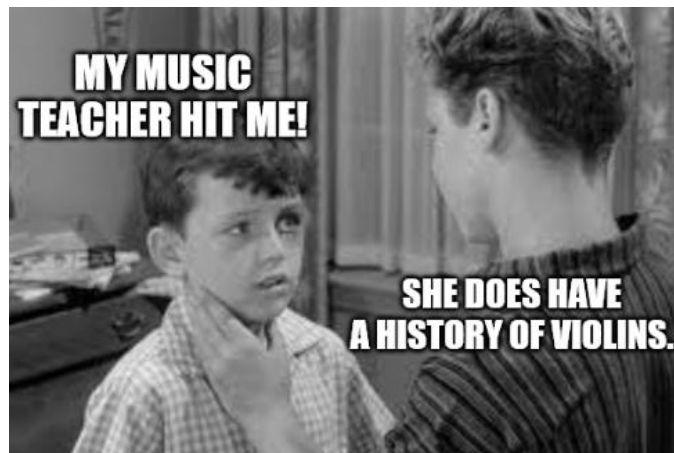

Did you hear about the priest that can turn a demon into an angel? He scares the hell out of them.

My wife and I spent seven hours child-proofing the house. They still got in.

My friend always carries a gun when he's working on a computer. He wants a screenshot.

When my friend died, a pretty angel lit his candle. It was a match made in heaven.

I sometimes wonder if I have a superiority complex. Nah! I'm better than that.

My ex-girlfriend started a YouTube channel just to trash me. I thought that was a little ex-stream.

I turned on the television and saw a gorilla opening a banana. It was super ape peeling.

Someone's race can be a complex issue. It's not just black and white.

I can't stand hearing my friend talk about drilling holes into the Earth. I think it's so boring.

I started a YouTube channel discussing sausage. Links are in the description.

My friend told me that his date was like an angel. She was invisible.

Our local zoo got rid of their gorillas. They said they didn't want any monkey business.

Do you know why demons smell so bad? There were not scent from God.

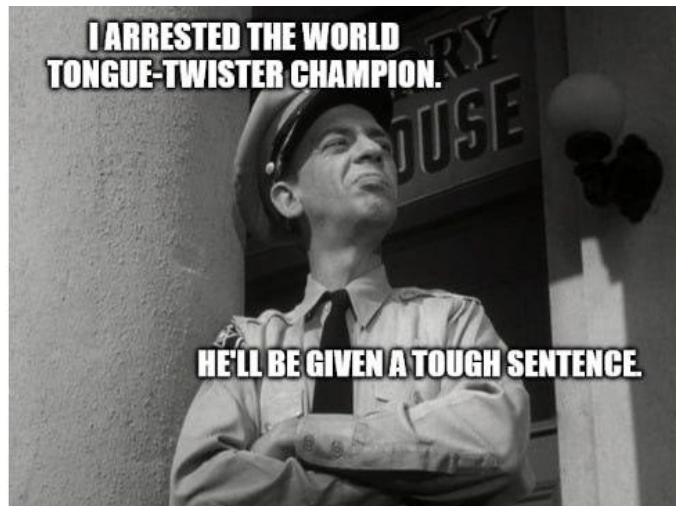

My Ethics Professor told me that I'm failing his class. So, I slid him 20 dollars and asked how I was doing now.

I refuse to believe in peer pressure. Unless my friends do.

My teacher accused me of plagiarizing. Those were his words, not mine.

Did you hear about the chef that enjoyed heating the pressure cooker for a long time? He had a blast!

My friend enjoys skydiving so much that I pushed him out of the plane without a parachute. Now he'll be skydiving for the rest of his life.

What did the man say when a piano fell on top of his friend? You'd b-flat.

My only plans today are to buy some glasses. After that, we'll see.

I invented a thought-controlled air freshener. It makes scents when you think about it.

Investors are putting their money into a glass-topped coffin to see if it will sell. Remains to be seen.

Weighing an elephant is much like weighing a person. But it's on a much larger scale.

Most Americans wear tank tops because of their Right to Bare Arms.

People who fly from Spain are always dry, especially if it's raining. That's because the rain in Spain stays mainly in the plane.

What did Scotty say to Kirk as the Enterprise flew over western England? "Captain, Thar be Wales here!"

A sniper shot a bullet through my friend's window and broke his monitor. There must be a better way to take a screenshot.

HISTORY: Napoleon was actually famous by the way he ate chicken wings. He liked to pick the bone apart.

Our top donut baker announced his retirement today. He said he's tired of the hole business.

Jokes about Hamlet on top of a dictionary is getting annoying. When it's just a play on words.

The Confederacy had some great military leadership. General Lee speaking.

My wife got a haircut, earrings, air pods, and makeup after she won the lottery. All that money really went to her head.

I retired from the bomb squad today. I had a blast working there!

My wife always tells me that soup is better with flavor cubes. I don't put too much stock in it.

Two sharks were eating a billionaire in the ocean. One looks at the other and asks, "this taste a little rich to you?"

What would happen if skunks lost their smell? Would they become ex-stinked?

I hate it when chefs gossip. All they do is stand around and stir the pot.

If someone else invented the airplane, it just wouldn't be wright.

I got fired from my job as a masseur. It seems I just rub people the wrong way.
